New Program Information:

Beaded Jewellery Sets - Margo C.

Explore the tools and techniques used to create designs for necklaces, earrings and bracelets. We will be creating matching sets. Learn how to use memory wire for a quick bracelet and have fun matching colours.

Companions Walking Group - Zarina Grundy

This low impact fitness activity combines the benefits of physical activity, socialization and happiness of being outdoors. It is perfect for those who want an outdoors activity during the spring and summer but do not want the solitary experience of walking alone. Regular walking strengthens your heart, helps you lose weight and even helps to prevent dementia. It boosts circulation and increases oxygen supply and like other exercises it boots your mood.

Do We Love Ourselves Enough - Sophia Radelet-Ong

A four week workshop for you to dive deeper into ways of recognizing the gestures of love each individual can relate to and ways to gain more into making the quality of life more meaningful to you.

Floral Crafts - Linda/Marie/Addie

Celebrate spring's arrival with floral inspired crafts. We will make origami flowers to decorate cards and gift bags. For a special occasion we will create corsages. If you like to paint we will be embellishing the flowers as well. Learn the basic arrangement forms in floral design to create a beautiful bouquet.

Mindfulness & Meditation - Natalie Fraser

We will learn different breaths and meditation techniques to quiet the mind and body. There will be techniques and practices on mindfulness that will bring you joyfully into the present moment of life.

Mixed Media Cards - Marlin D. and Brenda T.

Come and explore the fun art of making mixed media greeting cards, no experience necessary! We will use a variety of mediums to make all kinds of cards. Your design is your choice, try different techniques; your imagination is the limit. We have a variety of materials, handmade monoprinting and paper paste papers, recycled cards for collage ect. You can get beautiful results in a relatively short period of time using our Cricut Create machine to cut intricate designs.

Resotrative Yoga - Natalie Fraser

Come with cozy socks (and a comfy blanket and a pillow or two from your sofa if you want). We will hold and rest in postures with support from props that will help to restore peace to your day and comfort to your body. This is for all bodies and all levels. We do most postures on the floor but if you need help getting down or back up fear not, assistance will be there. We will approach this calss with a sense of loving humour and joy.

Weights and Stretch - Wendy Gagnon

Starting with a warm up, this group class combines the benefits of strength and endurance as well as extra stretching for muscle relaxation and recovery. All stretches are standing up or in a chair.
