The Good Companions

Old Age Security (OAS) is an income benefit that provides financial support for seniors over 65. It does not cover medical or disability-related needs. Therefore individuals leaving ODSP must look to other programs to help with their medical or disability-related expenses. Join us for a free information session and have your questions answered by a Citizen Services Specialist. This presentation will provide an overview of the Canada Pension Retirement Pension and different benefits available through it as well as an overview of OAS with specific focus on supplement benefits for seniors with low income and life events that may impact your benefits. **This is a free seminar. Members and non-members are welcome and extremely encouraged to attend. Please register in person or call Front Reception to reserve your spot.**
