Repeat Performance will also be open! FREE admission.

New & Returning Program Information:

Container Gardening - Volunteers

Gardening is great exercise & it's good fun to see the plants growing! Never gardened before? No problem...come and learn! Are you an experienced gardener...you'll love helping new gardeners discovering this calming and yet invigorating activity.

Cross Stitch - Sylvia

Come and explore the fun of cross stitch, no experience is necessary. You can choose embroidery thread or yarn for your projects. You can embellish cards or try working on plastic canvas. This needle craft is great for everyone. You can get beautiful results in a relatively short period of time.

Halloween Theme Jewellery - Margo C.

We will make witch earrings and beautiful beaded spiders which can be a unique gift for someone. Everyone must have a spider on their Christmas tree. Come and learn about the legend and have fun with making Halloween themed items.

Hostess Gifts - Marie M.

We will be making a variety of crafts to give as gifts. Our focus will be on learning different skills to produce affordable items for our Craft Studio sales. We will be including Decorative Painting, Christmas ornaments & decorations plus Floral Crafts. If you have a craft to teach please contact the Craft Coordinator.

Multi Craft Design Team - Linda Janes-Peddle

The Craft Studio is looking for volunteers to help plan and make samples for future projects. You will work on projects together including brainstorming to come up with creative ideas to produce in our studios. You are welcome to participate & help us with your creative ideas.

Piano Lessons - Vicky Palmer

If you have never played the piano before or if you haven't played in years and would like a refresher...this class is for you. Please note that lessons are individual and therefore there are a limited number of spaces available.

Pickleball - It is a racquet sport that combines elements of badminton, tennis and table tennis. Two, three or four players use solid paddles made of wood or composite materials to hit a ball, similar to a wiffle ball, over a net. Low impact, quick exercise, social fun are all attractions to this great game that is going to be offered at The Good Companions starting this summer! **Instruction from 1 - 2 pm with additional practise time from 2 - 3 pm for registered participants.** "It's as easy as ping pong, scores like volleyball and looks like a miniature version of tennis."
