

Craft Studio

Creative Arts

Our studios include visual arts, crafts, and woodworking. Here you can pursue your artistic talents and aspirations. Our goal is to provide experiences that enrich your quality of life through art. At The Good Companions, we offer a variety of programs such as:

Advanced Quilting

In this class, you will learn how to sew small pieces of cloth into pattern blocks, how to layer, sew borders, bind and quilt your pieces together.

Sewing projects can also compliment the quilting. For example: quilted placemats with coordinating napkins.

Hand Piecing for Quilters

This course is a prerequisite for our advanced quilting class. We will provide step-by-step instruction on how to prepare fabric for hand piecing. We will hand sew the pieces into a patterned block using $\frac{1}{4}$ inch seams.

Stained Glass

This class is for experienced crafters in Stained Glass. There will be no instructor. You can work on your own projects for a fee of \$15.00 and bring your own supplies or volunteer and make items for the Craft Studio Boutique and other fundraisers.

Woodworking

Become a woodshop member and make your own beautiful items or place orders with the woodshop for special items.
