New Program Information							
Beaded Angels - Instructor: Margo C.							
We will show you how to make a delicate beaded angel ornament. It will be a 3" charming hanging angel using your choice of seed beads.							
Floral and Painting Fun - Instructor: Marie M./Addi J.							
We will be making a variety of Spring Crafts from floral surprises like kissing balls to painting on upcycled golf balls to making small critters like ladybugs, pigs or emoji expressions. Or try your hand at painting a landscape of flowers with simple tools, everybody can do this.							
Mandala Making - Instructor: Solange T.							
Start the new year with something new, come and create on a circular canvas - learn how the basics of meditative drawing can help you create a mandala. You will take home a mandala that you can display in your home as a reminder of your creative self and the beauty of a Zen state of mind.							
"Painting your way out of a corner - The art of getting unstuck" - Instructor: Solange T.							
This is an introduction to keeping a visual journal of self expression through art. Based on the book ("Painting your way out of a corner - The art of getting unstuck") you will be lead through painting exercises that tap into your creative self. No previous art experience is necessary. Through the process of playing and allowing spontaneous images to appear we experience letting go and become more open to life in general.
