## **September Birthdays**

In astrology, those born from September 1–22 are Virgo's Virgins. Virgos pay attention to details and like to keep things organized. Their deep sense of humanity and love for others makes them

defenders of justice, goodness, and purity. Those born from September 23–30 balance the scales of Libra. Peaceful and fair, Libras value balance and symmetry. For this reason, they often champion justice and equality. Using tact and calm, they resolve conflicts among family and friends.
