New & Returning Program Information:

5D Diamond Painting - Michel G.

Painting with Diamonds is an easy way to relax and free your mind. The Diamond projects consist of completing an image with multi-faceted, small synthetic crystals "Diamonds" to a coded adhesive canvas to create shimmering Diamond Art. The 5D stands for a special effect that the artwork conveys once finished, as it gives a very realistic effect.

Access to Gym - TGC Staff

Do you want to use the Elliptical, Treadmills, Exercise Bikes and other equipment in the Fitness Room? Let's do it! New equipment was purchased for our Fitness Centre. A staff member will be available to monitor the use of the equipment. Registration is required (3, 2 or 1 day a week). No drop-ins will be permitted.

Container Gardening - Volunteers

Gardening is great exercise & it's good fun to see the plants growing! Never gardened before? No problem...come and learn! Are you an experienced gardener...you'll love helping new gardeners discovering this calming and yet invigorating activity.

Posture & Balance - Guity Elikai

Poor posture leads to neck, breathing, indigestion, joint stiffness, fatigue, and neurological problems. Maintaining a good posture might be one of the best kept secrets for achieving longer, healthier and more enjoyable life. This gentle exercise class will work on your posture, balance and coordination.
