Winter Program Registration

January 10, 11 and 12 from 10:00 am - 2:00 pm.

Registration can be done online at <https://thegoodcompanions.ca/programs-services/program-registration/> or in person. You must be a member of The Good Companions to participate in any of the classes offered, both virtual and in-person. Please note that submitting the online form does not guarantee your spot in the class. We want to ensure that as many members as possible have access to these programs. If you have a spot in a class, you will receive a return email with the Zoom link and password to the class (for virtual classes). Please keep this email and password safe. You will need the link and password to log in to the class each week.

The Day Centre staff would like to stress the importance of registering on these days even if your class does not start immediately. Following the designated registration period, a course that appealed to you may have been cancelled if there is not enough enrollment.

Please refer to the Winter Program Guide for a full list of the programs being offered. If you have any questions, please call 613-236-0428 and ask to speak to a member of the Day Centre team.

Winter Safety For Older Adults

Here are a few precautions everyone should take, especially older adults, during the winter.

Injury While Shoveling Snow

It's one of the evils of winter – snow shoveling. If you choose to shovel, take some precautions. Remember, when it's cold outside, your heart works double time to keep you warm. Strenuous activities like shoveling snow may put too much strain on your heart, especially if you have heart disease. Shoveling can also be dangerous if you have problems with balance or have “thin bones” (osteoporosis).

Ask your healthcare provider whether shoveling or other work in the snow is safe for you.

Falls

It is easy to slip and fall in the winter, especially in icy and snowy conditions.

Precautions to Take

- Make sure steps and walkways are clear before you walk. Be especially careful if you see wet pavements that could be iced over.
- Clear away snow and salt your walkways at home, or hire someone to do it.
- Wear boots with non-skid soles – this will prevent you from slipping.
- If you use a cane, replace the rubber tip before it is worn smooth.
- Consider an ice pick-like attachment that fits onto the end of the cane for additional traction.

A Message From Your Executive Director, Monique Doolittle-Romas

Welcome to the Winter 2022-2023 edition of The Good Companions bulletin.

The Good Companions is hosting the first Adult Day Program for LGBTQ2+ seniors. The program will be offered in person two Saturdays per month. We look forward to demonstrating the importance and impact of the program for LGBTQ2+ seniors. Eight seniors will join the program over the next few months.

We are excited to announce two new additions to our TGC family. Emma Revell, Acting Seniors' Centre Without Walls Coordinator, and her husband Jesse welcomed a beautiful baby girl. Eleanor Elise born Saturday, September 17 weighing 9lbs 13oz and with a good head of hair. Basma Sahmuddeen, Community Support Services Program Assistant, and her husband welcomed a beautiful baby girl on August 25. Mom and baby Aida are doing well.

We look forward to hosting some special events that have been on hold since 2020. Shawn Anthony, Amy Friesen of Tea & Toast, and iGenOttawa will be hosting a Pub Night at the Good Companions on Thursday, November 24, 2022. <https://thegoodcompanions.ca/get-involved/santa-4-seniors/>. All funds raised will support Santa 4 Seniors. You can purchase a ticket with this link. We hope that you will join us to make Christmas brighter for seniors in our community.

Be sure to join us on Saturday, December 3 from 9:30 am to 2:00 pm for the return of our famous Christmas Bazaar featuring: crafts from our studios, books, baking, clothing, a silent auction, a Christmas café plus a visit from Santa Claus himself!

We are proud to announce The Good Companions staff and volunteers received an award from the Ontario Society of Senior Citizens' Organizations www.ossco.org. TGC received The 2021-2022 Dan Benedict Award for Community Mobilization for its response to the Pandemic. Congratulations!

As 2022 draws to a close we want to take this time to thank our Board of Directors under the leadership of our President Seán K. Kelly for their guidance and stewardship.

Our deepest gratitude to our funders, donors and volunteers who have allowed us to respond to the needs of the community. Their generosity allows us to continue to offer our programs and services. They are: The United Way East Ontario, The City of Ottawa and the Social Services Relief Fund, Help Age Canada, the Ontario Health Agency (Champlain Local Health Integration Network), The Ministry for Seniors and Accessibility, the Ontario Community Support Association, Ontario Community Support Program and the Province of Ontario, Employment and Social Development Canada, The Ontario Trillium Foundation Bell Canada as well as our corporate and individual donors.

I want to thank our outstanding staff team. They are the most dedicated and mission-driven team that you will ever meet! A special thank you to our members, clients and volunteers who offer us the privilege of working with you.

We wish you Merry Christmas, Happy Holidays, and good Health. We look forward to being together in 2023!

On Friday, October 21st, we were visited by 40 eager volunteers from [Deloitte](#). The Good Companions was honoured to be selected as a charity through Deloitte's "Impact Day", a national day of volunteering across the firm. The large group of helpers were ready to tackle all kinds of tasks for the Centre. They learned about our impact, our programs & services, and how TGC supports seniors in the community. Some volunteers assisted with an outdoor clean-up, some helped with painting the Centre, while others spent the day with our Adult Day Program (among many other helpful assignments!). As we witnessed, many hands make light work! We are so grateful for their help and incredible energy.

Thank you so much Deloitte - we had so much fun hosting you all!

LGBTQ2+ Program with Stephane

With winter approaching, soon Ottawa will be covered with a blanket of white frosty snow. Some may like this time of year but for many this is a time of the year that causes anxiety, stress and isolation.

Social isolation is associated with about a 50% increased risk of dementia. Poor social relationships (characterized by social isolation or loneliness) is associated with a 29% increased risk of heart disease and a 32% increased risk of stroke. The facts are jarring, but there are things you can do to improve your chances at decreasing the health risks associated with isolation.

Here are some options for you to consider:

The Wellbeing Check-in program

The Wellbeing Check-in program provides LGBTQ2+ seniors with regular check-ins from LGBTQ2+ volunteers. Volunteers contact seniors over phone or social media to check on a client's well-being and provide a predetermined response if the exchange is not answered. The Wellbeing Check-in Program is open to any LGBTQ2+ senior (55+) or adult with disabilities living in the Champlain Region.

This program is aimed primarily at people who are living alone. You may be healthy and active and still appreciate a check-in to remain connected and safe, or you may be more isolated, homebound and at risk. With the LGBTQ2+ Program Coordinator, you decide on a response plan that best meets your needs. People also use this program for social reasons, since a call from a friendly volunteer may be a great way to start the day. The Wellbeing Check-in Program was created in Partnership with Ottawa Senior Pride Network.

Out and About Saturdays

Out and about Saturdays is a recreational, educational program developed in partnership with OSPN. The program offers social activities for members of the LGBTQ2+ community.

Out and About Saturdays is offered at The Good Companions every 2nd and 4th Saturday of every month.

For more information, please contact Stephane Gauthier at 613-236-0428 ext 2353 or by email at sgauthier@thegoodcompanions.ca

Info Session - Gym Orientation

Monday, January 19, 10 - 11 am or 11 am -12 pm

Register for the Information Session being held in January. The session will help you make better use of our gym equipment. **The orientation is open to all members, clients and guests, but you must register to attend, as space is extremely limited.** Proper usage of the cardiovascular and selectorised equipment will be demonstrated. Workout guidelines, safety protocols, and fitness room procedures will also be reviewed. The session will help you understand how our different equipment works and how they can help you achieve different fitness goals. **These sessions are not personal training sessions**, but they are a great way to learn the basics of how things work, connect with members and staff, and maybe even find a workout partner. After attending the session, you can come up with your own plan for exercising and using the gym on different days of the week (see Program Guide).

Please note: Membership is required to use the gym after the orientation.
