New Programs:

Cardio, Strength and Core Join us for a well-rounded fitness class that will work our full bodies, promoting muscular and bone strength, better posture and a lot of fun. What's not to love?

Chair Yoga For those new-to-yoga or full on lifetime yogis, this gentle flow using a chair for support will offer modifications for all levels. Together we will explore different styles and principles of the yoga tradition. Namaste!

Core Stability Strengthening and stabilizing the muscles of the torso will not only help us to achieve better posture and overall strength, but also help in fall prevention. All that and no crunches!

Knit & Crochet Christmas Trees This spring for our Charity project, we will be crocheting or knitting small ornament size Christmas trees for the Santa 4 Seniors program. Help to bring some comfort and holiday cheer to some of our isolated seniors during the holiday season.

Painting with Wool Have fun exploring needle felting while creating a beautiful painting. We will do the painting in two steps. First, we will use colour markers or paint on fabric or felt. Then we will finish the painting with multi-colour wool roving, using needle felting method.

Personal Training (Paid): Take advantage of low rate personal training that you won't find anywhere in Ottawa. Pay only \$100 for a 4-week session. This is \$25 per class! Then you can use what you've learned to workout on your own at home or in our gym.
