Program Descriptions:

Core & More: A 30 minute class designed for all fitness levels to strengthen your core and muscles. This class will relieve back tension and loosen up tight hips, helping to prevent future injuries. Safe and simple! Not all, but some, of the class will be on the floor, using a mat.

Doodle Yourself Happy: Doodle yourself happy while creating fun, easy and relaxing art. No experience necessary. It is super good for your brain, your heart and your soul.

Hand Piecing Placemats: We will be making some lovely "all occasion" placemats that can be used all year long. They are easy to sew and will add a cozy decorative touch to your table.

Improv: Improv "The Art of Possibilities". Want to have fun, sharpen your mind and feel good all at the same time? Try Improv. Only a couple of rules: 1. Make your partner look good and feel amazingly smart! 2. Train your brain to go with your gut. Using these principles, we will have fun while improving our health and our minds!

Intergeneration Activity Group: The Good Companions has partnered with Andrew Fleck Children's Services to offer an Intergenerational Activity Group. The group will meet once a week and will provide an opportunity for our members to connect with and interact with a group of children between the ages of 2 and 5.

Painting Glass Bottles: Upcycle wine bottles with a little paint, collage and string lights. Let your imagination create one of a kind seasonal themed decorative centerpieces.

Rope Catch-All: You can make a decorative woven rope basket, vase or holders for pencils or utensils. Create different shapes easily by weaving with cord. Your handmade item will be the perfect catch - for all of your favourite items.

Sharing Dance Older Adults: Developed by Baycrest and Canada's National Ballet School, Sharing Dance Older Adults empowers organizations in a range of settings to engage their community through dance. Through stream-able videos, older adults can participate in high-quality dance programming that supports physical, emotional and social wellbeing. You can participate in your seat or on your feet and no dance experience is necessary! The class will be streamed to people in the Fitness Room (028).

Tai Chi Chuan (Yang Style): This ancient practice blends slow, graceful movements with deep breathing to promote balance, relaxation, and inner peace. Ideal for all ages and fitness levels, Tai Chi Chuan helps improve flexibility, strength, and mental clarity. Join us to discover the many benefits of this time-honored tradition and bring harmony to your body and mind.
