Father's Day

"Silent Strong Dad"

He never looks for praises,
He's never one to boast,
He just goes on quietly working,
For those he loves the most.

His dreams are seldom spoken,
His wants are very few,
And most of the time his worries
Will go unspoken too.

— Karen K. Boyer

June Birthdays

In astrology, those born between June 1–21 are Gemini's Twins. Geminis love conversation, and they're good at it too! Witty, intellectual, curious, charming, and imaginative, they're often the life of the party. If you were born between June 22–30, that makes you a Crab of Cancer. Crabs are nurturers, dedicated to their home and family. Gentle and kind, they love storytelling around the dinner table and enjoy upholding traditions.
