New Program Information:

Amateur Radio Operators - This club will be conversational and educational in nature. This club is for members with a background in technology and aviation but will be broad enough to accomodate anyone curious in learning more about radio communication.

Basic Crochet Stitches - This class focuses on learning basic crochet stitches - chain, single, double, half-double and treble crochet. You will learn basic stitches or combine stitches to make different pattern swatches. Everyone is welcome.

Card Making Techniques (Die Cutting and Embossing) - Using a die cutter / embossing machine allows you to create cut outs with a die and raised designs with an embossing plate. Learn how to create a design on the surface of a card with stamps and embossing ink. You will be able to create beautiful images for cards. The possibilities are endless. Make a special card and keep one for yourself.

Fabric Collage - Use fabric scraps to make unique pieces of art. We will cut and glue fabrics to make collages. You will be provided with a template, or you can create your own design. Some will be glued to artboards and others machine quilted to make wall hangings. Sewing skills are an asset but not necessary.

Fabric Collage - Calling all fiber crafters to come together. Bring your own project and create individually. Whether it's knitting, crocheting, needlepoint, teddy bears or hand sewing, anything goes. The sky is the limit! Meet other craft minded people, get inspired, learn from each other and pay it forward if you like!

Funcional Exercises Workshop (2) - Take your posture, balance and strength to the next level! Build on the skills from Part 1 with new, engaging movements designed to further improve your stability, mobility and confidence in daily activities. Suitable or all fitness levels - no need to have attended part 1.

Pickleball - Drop In - Due to the growing enthusiasm for Pickleball, we're adding an extra date to the schedule. Whether you missed a Tuesday or Thursday, want an extra day of play, or just want to drop in occasionally to give it a try - this is your chance! Come join the fun, meet new fellow players and keep the Pickleball momentum going! Attentions: as a drop-in practise, attendance can vary week to week. TGC does not track who will be attending in advance.

Stitch a Card - Come join us for a fun time stitching beautiful designs on greeting cards using the "prick and stitch" method. This method is great for everyone and especially if you like needle craft. No experience is necessary. You get beautiful results in a relatively short period of time.

Summer Day Trips (Please note that non-members pay \$15 extra per person, per trip)

Wednesday, July 23 Morrisburg, ON (\$130)
