New Programs:

Container Garden: Gardening is great exercise and it's good fun to see the plants growing! Never gardened before? No problem...come and learn. Are you an experienced gardener...you'll love helping new gardeners discovering this calming and yet invigorating activity. Date TBA. Coordinator will contact attendees for starting date.

Creative Writing: Anyone can be a writer, including you! We all have stories in us - both real and imagined. Whether you're an experienced writer, write for fun, or are looking to begin, our sessions are designed for all levels. Every week, we will gather to discuss creative writing tips and prompts, spend time writing, and partake in an optional time of sharing. Join to discover a friendly and creative space where you can write about what matters most to you!

Dot Mandala Art: Dot mandala art is a meditative art form that creates intricate, symmetrical patterns using a multitude of dots originating from a central point and forming concentric circles. The process involves using specilized tools to apply Acrylic Dots in varying sizes, colours and techniques. All supplies, tools and paints will be provided.

Felt Crafts: We will offer a versatile range of projects made from felt. From functional home decor to intricate handmade cozy animals. Using felt with needle and thread or fabric glue, allows for quick, satisfying and creative results.

French Conversation: A friendly, informal circle for anyone looking to chat in French. The focus is on keeping things light with fun topics and easy conversation to stay sharp and connected.

Hand Piecing Hexagons: Hexagon hand piecing for beginners. You will learn how to hand sew hexagons together to create a coaster or a hot mat.

Music and Tai Chi: This exercise is a great natural way to calm the mind, release stress and boost energy. The classes achieve this by combining the harmony of music and Tai Chi with each session featuring well known favourite songs and gentle, healing movements.
