“To have SCWW has been an anchor for me, even before moving into a residence. It’s just nice to know there is a circle of people on the phone. Two or three times a day! What a service!”

— SCWW Participant

The Good Companions

The Good Companions is a not-for-profit organization that offers programs and services in partnership with volunteers, to promote, enhance and support the well-being, independence and zest for living of both seniors and adults with physical disabilities living in the Ottawa area.

Seniors' Centre Without Walls (SCWW)

SCWW offers free telephone group activities for seniors 55+, as well as adults with disabilities living in Ottawa and surrounding rural areas.

Through the use of group telephone calls, SCWW provides a rich line-up of health-related information from professionals in the community, later-life learning opportunities, participation in brain-stimulating activities, and most of all, the space to create meaningful friendships and community for those who may feel isolated.

This program is funded in part by the Ontario Ministry for Seniors and Accessibility, the United Way East Ontario, and with support from the City of Ottawa.

In the spirit of Reconciliation, The Good Companions acknowledges that we are operating on the unceded traditional territory of the Algonquin Anishinaabeg. The peoples of the Anishinaabeg Algonquin Nation have lived on this territory for millennia. Their culture and presence have nurtured and continue to nurture this land. The Good Companions honours all First Nations, Inuit and Métis peoples and their valuable contributions to this land, both past and present.

Tips for a Successful Phone Call:

Let the Facilitator Lead

To reduce confusion on the phone, it is important to let the facilitator or guest speaker guide the conversation or activity.

Reduce Background Noise

Plan to be in a location with little to no background noise. Turn off anything that might make noise (TV or radio), and be aware that the facilitator may mute your line if there is too much background noise.

Be Mindful

Be mindful that everyone has a story, a background, and a different way of looking at the world.

Supporting a Vibrant Community

We've enjoyed a very hot summer this year, and now it's time to appreciate the cooler months ahead! Fall is such a lovely time of the year, with cooler days, changing leaves, and, of course, lots of hearty soups and stews. As we get ready for the colder days ahead, we have a wide array of programs to keep you entertained, informed and connected!

First off, we would like to extend a big thank you to our student, Ashlyn, for all of her hard work and dedication during her time with SCWW.

I want to remind everyone about our annual Voice to Face Party, which will be held at The Good Companions on Tuesday, September 29th. If you have not already registered, please let us know as soon as possible. We are looking forward to seeing many of you in person!

We are very happy to continue to offer programs over the holiday break on Christmas Eve and New Year's Eve. Be sure to mark your calendars and join us!

Finally, a huge thank you to all of our participants, both longtime and new, and everyone in between. SCWW would not be what it is without you. Thank you for all of the laughter, kindness, and mutual support.

As always, your SCWW team is here for you. If you have any questions, concerns, topics you'd like to hear about, or just want to chat — give us a call!

A Message from Your Coordinator

BOOK CLUB: *The Castle in the Glen* by Rhys Bowen

We will meet every Monday to listen to 45 minutes of reading, followed by a few minutes of discussion. **The readings will be recorded in case you are unable to attend.**

We will conclude our Book Club on Monday, December 21st, so be sure to join us for final thoughts and discussion!

Australian writer Emma Callander has been recruited to complete the final historical mystery in a series by celebrated author Iris Blackburn. It's 1964, and Iris's memory is fading. She's certain that only Emma can do justice to her novel about a murder on the Isle of Skye. When Emma ventures to Scotland for research, she discovers it isn't fiction at all, but rather a true crime unsolved for more than fifty years.

It was 1904 when a couple's suspicious drowning led to the disappearance of a mysterious young woman the locals called the Wild Girl. To this day the mystery is unforgettable, especially among the descendants of an aristocratic family who'll do anything to keep their secrets buried. From the misty Highlands to a medieval castle, Emma and Tony Gordon, Iris's handsome lawyer, work ever more closely to uncover them.

But while Iris may be known for her fiendishly clever twists, there's one not even Emma could have seen coming.
